

In order to complete the minor under the revised curriculum, students who entered UCSC prior to Fall 2017 will need to follow this schema:

1. Two gateway electives and one quarter of CRSN 55;
2. One quarter of CRSN 199, an upper division substitute for CSRN 155;
3. One quarter of CRSN 151A, which will substitute for CRSN 150A & 150B
4. One quarter of CRSN 151B, which will substitute for CRSN 150C & one quarter of CSRN 155
5. CRSN 161: Education for Sustainable Living; and
6. Two breadth electives

If you need only to complete several courses, please contact Ronnie Lipschutz ([rlipsch@ucsc.edu](mailto:rlipsch@ucsc.edu)) to determine how to do this.
