

Enrollment in the Minor & Course Planning for students enrolling at UCSC *prior* to Fall 2017:
 Students wishing to declare the *Minor in Sustainability Studies* must make an advising appointment with Rachel Carson College Provost Ronnie Lipschutz, and **bring along both the course planner below and copies of your academic planning form and major declaration** (you must declare your major before you can declare the minor). Keep in mind that you will need to schedule courses for the minor around your major and GE courses, especially since scheduling is done on a year-by-year basis.

Name _____ ID _____ Major(s) _____

College _____ email _____ phone _____

Address _____

Estimated Graduation Term _____

Course	Planned yr. & qtr.	Completed yr. & qtr.	Grade received
